REXPO Adriatic 2013

is the ideal place for finding investment opportunities and closing business deals, also the place for local, regional and international investors, developers and consultants to present their projects and services, as well as to exchange new business ideas and find fresh solutions for project obstacles.

In two days of trade fair and conference **REXPO Adriatic** will bring together private and public sectors in the Adriatic Region and regional as well as international professionals in financing, investment, development, law, construction, architecture and design etc.

REXPO Adriatic 2013 Forum

is a unique and vital platform to focus various business experiences, development processes and valuable background information. The highlights of this year's **REXPO Forum** are: renewable energy, tourism and hospitality investments, EU funds, facility management and infrastructural projects.

The hosts and guests of this Forum, representing both public and private sectors, will be prominent industry experts from the Adriatic Region and beyond, thus ensuring a strong media coverage.

REXPO Adriatic 2013 comprises a dynamic range of panels, presentations and networking events, and is framed by lively parties, shows and award ceremonies.

Join us in Zagreb on 17th and 18th April 2013 to start your effective networking with the Adriatic Region's investment community leaders and a broad range of industry experts from all around the world, interested to make business in this area tangible!

Last year's REXPO figures:
