

COLD STONE

CREAMERY

Neither hard packed nor soft serve; Cold Stone Creamery® offers smooth and creamy ice cream made fresh daily in every store.

To experience Cold Stone, customers simply choose their ice cream, yogurt or sorbet and any number of countless mix-in combinations. A crew member then mixes the selections on a chilled granite stone. The resulting Creation™ is scooped into a freshly made waffle cone or bowl – or formed into a personalized cake – and presented to the customer as *The Ultimate Ice Cream Experience*®.
