# Communication Sector

## Group of different Investment opportunities In Arab Republic of Egypt

### Establishing an investment zone for ITC industries and call centers

#### Project description:

- Establishing an investment zone for ITC industries and call centers

**Sponsor:** Ministry of Communication and Information Technology

#### Value proposition:

- Availability of a big market as it is located in Helwan
- The zone is being developed to become a regional hub for CIT
- Availability of transportation and Road network serving the location
- Availability of competitive workforce.
