Country	Project Name	Main Sector	Sector	Public/Private	Procurement Type	PPP Model	Value (USDmn)	Size	Unit	Companies	Timeframe Start	Timeframe End	Status	Status Notes
Saudi Arabia	New King Abdullah Bin Abdulaziz Airport, Jazan	Transport	Airports	Public			667	2.4	mn passengers/yr	Edge architects[Design/Architect](United Kingdom), [Sponsor]			Suspended	February 2016 - Construction halted as reports conducted by Saudi Aramco revealed the proposed airport location site may suggest an oil and gas opportunity; July 2015 - Soclesa Arabia awarded USD121mn equipment contract; June 2014 - Safari Co. won construction contract; Project is part of USD10.66bn investment plan in the aviation infrastructure sector
Oman	Salalah-Thumrait Dual-Carriageway, Dhofar	Transport	Roads & Bridges	Public			144.64	77	km	Oman Ministry of Transport and Communication[Sponsor]|(Oman)		2012	Completed	June 2012 - Section 3 opened to traffic; Section 1, Salalah-Thumrait (21-km) opened to traffic in early 2011; Section 2, from Wadi Hareit till the Thumrait-Marmul intersection (51-km) was opened last January; Project Value - OMR55.70mn
Oman	Duqm International Airport, Phase II (Runway), Al Wusta	Transport	Airports	Public			104	0.5	mn passengers/yr	Public Authority for Civil Aviation[Operator]|(Oman), Oman Airports Management Company-OAMC[Operator]|(Oman), Special Economic Zone Authority[Sponsor]|(Oman), Hanjin Heavy Industries and Construction[Construction]|South Korea), Oman Ministry of Transport and Communication[Sponsor]|(Oman)	2011	2013	Completed	December 2013 - Project completed; Project cost - OMR40mn
Iran	Persian Gulf Coast Water Supply Pipeline	Energy & Utilities	Water	Public			243	762	km	Government of Iran[Sponsor]|(Iran)			Announced	April 2013 - Project will provide drinking water to more than 1.5mn people aimed at serving the potable water demands of five large cities and eleven small cities along the Persian Gulf coasts; Preliminary studies were completed in 1995
Lebanon	The Deir Ammar Combined Cycle Plant, Tripoli	Energy & Utilities	Power Plants & transmission grids	Public			470	590	MW	General Electric[Equipment]|(United States), Lebanese Government[Sponsor]|(Lebanon), J&P-AVAX[Construction]|(Greece)			Contract Awarded	January 2015 - Deir Amar plant is looking for funding ; July 2013 - Tender for supervision and management for the project has been launched; April 2013 - The plant will take around 25 months to build - with the first phase due to open in 18 months
Saudi Arabia	Al Kharj 2 Substation, Riyadh	Energy & Utilities	Power Plants & transmission grids	Public				380	kV	Siemens AG[Equipment]|(Germany), Saudi Electricity Company[Sponsor]|Saudi Arabia)			Contract Awarded	April 2013 - The Saudi Electricity Company (SEC) has signed contracts worth SAR1.376 (USD365mn) for the construction of 2 transmission plant in Al-Kharj and Salboukh and 5 five gas-powered generating units
Oman	Duqm Port Expansion Project, Al Duqm	Transport	Ports	Public			687			Royal Haskoning[Consultant/Project Management]|(Netherlands), Jan De Nul Group[Construction]|(Belgium), Khatib & Alami[Feasibility]|(Lebanon), Government of Oman[Sponsor]|(Oman), Galfar Engineering & Contracting SAOG[Construction]|(Oman), Daewoo Engineering & Construction Company[Construction]|(South Korea), CCC Engineering[Construction]|(Greece)			Under construction	June 2016 - Construction underway; November 2015 - Duqm Port to begin early phase container operations in early 2016; Project includes new port and dry-dock complex; Project cost - EUR620mn
Oman	Al Batinah Coastal Road Project, Muscat	Transport	Roads & Bridges	Public			1500	240	km	Oman Supreme Committee for Town Planning[Operator]|(Oman), Consolidated Contractors Company (CCC)|Consultant/Project Management|(Greece)			Under construction	August 2016 - Tendering and bidding process for Phase 2, sections 1 & 2 to be launched Q4 2016; May 2015 - Construction underway; January 2015 - Packages three and six of the Al Batinah coastal road project, with a combined value of USD1.34 bn awarded last year
Qatar	Qatargas Laffan Refinery- Phase II, Ras Laffan, Doha	Construction	Industrial Construction	Public	Engineer Procure Construct (EPC)		1500	146000	b/d	SNC-Lavalin[Construction]|(Canada), Qatargas[Operator]|(Qatar), Chiyoda Corporation[Construction]|(Japan), CTCI Corp[Construction]|(Taiwan), Total[Sponsor]|(France), Kentz Corporation Limited[Construction]|(United Kingdom), Mitsui[Sponsor]|(1)|(Japan), Marubeni[Sponsor]|(1)|(Japan), Cosmo Oil[Sponsor]|(2)|(Japan), Idemitsu Kosan[Sponsor]|(2)|(Japan), Qatar Petroleum[Sponsor]|(66)|(Qatar)	2014	2016	Under construction	November 2015 - Construction underway; Qatar Kentz has been awarded engineering, procurement, supply, construction and commissioning of contract by Qatargas; April 2014 - Construction commenced; The facility will enhance Laffan Refinery 1 condensate refining capacity to 300,000 b/d
Oman	Salalah - 1 IWPP, Taqah, Dhofar	Energy & Utilities	Power Plants & transmission grids	Public			1000	490	MW	GE Power[Equipment]|(United States), Salalah Power and Water Company[Sponsor]|(Oman), SEPCO Electric Power Construction Corporation[Construction]|(China), Sembcorp Industries[Operator]|(Singapore), Teesian Group[Construction]|(Oman)	2010	2012	Completed	May 2012 - Project completed; The project also has an associated desalination plant with capacity of 69,000 m3/day; 15 year power and water purchase agreement with OPWP; Net capacity is 445 MW
Iraq	Golden City Housing, Basra	Construction	Commercial Construction	Public			250	600000	square metres	Mister Wang Company[Construction]|(Hong Kong), Basra Governorate[Sponsor]|(Iraq)			Contract Awarded	May 2013 - Contract awarded to Mister Wang; The duration of the project will be three years
Saudi Arabia	Abraj Al-Hilal 2 Residential Complex, Jeddah Gate, Makkah	Construction	Residential Construction	Private				308	units	Emaar (UAE)[Operator]|(United Arab Emirates), Azmeel Contracting & Construction Corporation|Construction|(Saudi Arabia)			Under construction	November 2015 - Construction underway
Oman	Muscat International Airport Upgrade, Phase I	Transport	Airports	Public			1800	4	km	Aeroports de Paris SA[Consultant/Project Management]|(France), Cowi[Consultant/Project Management]|(Denmark), Europe Arab Bank (EAB)|(Financier)|(United Kingdom), Oman Arab bank|(Financier)|(Oman), Oman Airports Management Company-OAMC[Operator]|(Oman), Consolidated Contractors Company (CCC)|Construction|(Greece), TAV Construction|Construction|(Turkey)		2014	Completed	December 2014 - Project completed successfully with completion of the new civil aviation building, a runway and air traffic control tower
United Arab Emirates	Viceroy Dubai Palm Jumeirah Project, Dubai	Construction	Commercial Construction	Private			1100	947000	square metres	Agricultural Bank of China (ABC)|(Financier)|(China), Arab African International Bank|(Financier)|(Egypt), Invest Bank|(Financier)|(United Arab Emirates), Bank of China|(Financier)|(China), China Minsheng Banking Corporation|(Financier)|(China), Industrial and Commercial Bank of China (ICBC)|(Financier)|(China), Abu Dhabi Islamic Bank|(Financier)|(United Arab Emirates), Viceroy Hotel and Resorts|Operator|(United States), Skai Holdings|Operator|(United Arab Emirates), China State Construction Engineering Corporation (CSCEC)|Construction|(China)	2013	2016	Under construction	September 2015 - SKAI Holdings secured USD300mn syndicated finance package for the project; January 2015 - Structural work almost complete, project is six months ahead of schedule; December 2013 - Enabling and piling works nearing completion; Hotel will offer 479 luxurious rooms and suites and 222 signature Viceroy Residences; Project cost - AED4.05bn
Saudi Arabia	Al-Dara Hospital and Medical Centre - Phase II, Riyadh	Social Infrastructure	Healthcare	Public			118			Aldara Medical Corporation|Operator|(Saudi Arabia), Drake & Scull International|Construction|(United Arab Emirates), HOK|Design/Architect|(United States), Hobbs + Black Associates Inc|Design/Architect|(United States), Faithful+Gould|Construction|(United Kingdom), Carillion Plc|Construction|(United Kingdom)		2016	Under construction	May 2016 - Opening of facility is now less than 6 months away; September 2014 - Drake & Scull Saudi Arabia won an AED189mn MEP contract; Completion expected by 2016; Total construction area - 103000 square metres
United Arab Emirates	Abu Dhabi Industrial City Waste-to-Energy Power Project, Abu Dhabi	Energy & Utilities	Power Plants & transmission grids	Public			850	100	MW	Tecam Group[Construction]|(Spain), Intecsa Industrial|Construction|(Spain), Abu Dhabi National Energy Company (TAQA)|Sponsor|(United Arab Emirates)			Contract Awarded	June 2015 - Tecam Group subcontracted by EPC Intecsa Industrial to deliver a waste to energy plant in the United Arab Emirates (UAE)
United Arab Emirates	Second Marina Project ,Yas Island, Abu Dhabi	Transport	Ports	Public						Aldar Properties PJSC[Operator]|(United Arab Emirates), Athena SA[Construction]|(Greece), J&P-AVAX|Construction|(Greece)			Contract Awarded	May 2013 - Construction contract worth AED590.1mn awarded to Athena SA, a subsidiary of J&P Avax
Oman	Diba-Lima-Khasab Carriageway Project, Musandam Governorate (Section -2)	Transport	Roads & Bridges	Public			1000	65	km	Oman Ministry of Transport and Communication[Sponsor]|(Oman), Cowi[Design/Architect]|(Denmark)			In tender/Tender launched	March 2015 - Oman's Transport and Communications Ministry has prequalified nine consortiums of contractors for the contruction of the project; DBO contract to float shortly; May 2014 - Project Management Consultant (PMC) tender floated
Jordan	New Industrial City, South Amman	Construction	Industrial Construction	Private			5000	1300000	square metres	Madrid Industrial Company[Sponsor]|(Spain)		2017	Announced	November 2012 - Madrid Industrial Company plans to build new industrial city targeting European companies to set up their operations
Oman	Musandam Transmission Line Project (Tibat-Khasab-Dibba)	Energy & Utilities	Power Plants & transmission grids	Public			98	132	kV	Saudi National Contracting Co|Construction|(Saudi Arabia)			Under construction	October 2016 - Construction underway; January 2014 - Transmission line to travel around 18 km from Tibat in Wilayat Bukha to Khasab and extend a further 80 km to Dibba; June 2013 - Contract awarded
Oman	GCC Railway Network	Transport	Rail	Public				306	km	Gulf Cooperation Council|Sponsor|(Saudi Arabia), SNC-Lavalin[Feasibility]|(Canada), Systra[Consultant/Project Management]|(France), Canarail|Consultant/Project Management|(Canada), Khatib & Alami|Consultant/Project Management|(Lebanon)		2021	Suspended	November 2016 - New deadline for project completion is 2021; May 2016 - Oman has delayed work on the GCC rail project; February 2016 - Project study is underway; Railway network will connect Kuwait, through Saudi Arabia, to the UAE and Oman, with branches linking Bahrain and Qatar; Total Length - 2117 km; Total Project Value - USD15.4bn
Qatar	Msheireb (Heart of Doha) Downtown Doha Project, Phase 3	Construction	Commercial Construction	Public				2210000	square metres	Msheireb Properties|Operator|(Qatar), Qatar Foundation|Sponsor|(Qatar), Obayashi Corporation|Construction|(Japan), HBK Contracting|Construction|(Qatar), Gensler|Design/Architect|(United States), Eric Parry Architects|Design/Architect|(United Kingdom)	2012	2016	Under construction	September 2016 - Construction underway; May 2013 - Contract worth USD689mn (QAR2.5bn) awarded; Project is part of Msheireb Downtown Doha Project, being developed in 5 phases; Phase 3 includes 11 residential, two offices and hotel; Total Project Value - QAR20bn (USD5500mn)
United Arab Emirates	Al Maryah Central, Abu Dhabi	Construction	Commercial Construction	Public			1000	288000	square metres	Faithful+Gould|Consultant/Project Management|(United Kingdom), Intertek|Consultant/Project Management|(United Kingdom), Elkus Manfredi Architects|Design/Architect|(United States), Abu Dhabi Commercial Bank (ADCB)|Financier|(United Arab Emirates), Gulf Capital|Financier|(United Arab Emirates), The Related Companies|Construction|(United States), Brookfield Multiplex|Construction|(Australia)	2014	2018	Under construction	October 2016 - Construction underway, Intertek has been appointed as quality consultant; September 2016 - Completion pushed 5 months back from March to August 2018; May 2016 - Gulf Related partnered Elkus Manfredi Architects to start interior design work; November 2014 - Ground broken; Project size - 3.1mn sq feet
United Arab Emirates	Four Seasons Hotel - Al-Maryah Island, Abu Dhabi	Construction	Commercial Construction	Public				10600	square metres	Four Seasons Hotels and Resorts|Operator|(Canada), Sweett Group|Consultant/Project Management|(United Kingdom), Thornton Tomasetti|Design/Architect|(United States), Mubadala Development Company|Sponsor|(United Arab Emirates), Carillion Plc|Construction|(United Kingdom), Al-Futtaim Group|Construction|(United Arab Emirates)	2013	2016	Completed	May 2016 - Project completed; It includes 34 story hotel and serviced apartment building with 200 hotel rooms and 120 apartments
Oman	Wadi Adai Flood Protection Project - Amerat Dam	Energy & Utilities	Water	Public			75.88	22	mn m3 per year	Strabag International|Construction|(Austria)		2009	2012	Completed	April 2012 - Project completed; The length of the dam is about 5.8km; The dam with some 22mn cu m of storage capacity, will give significant protection to low-lying areas against floods
Saudi Arabia	Jeddah Water Storage Facility Project, Makkah	Energy & Utilities	Water	Public			586	2.064	mn m3 per year	Atkins|Design/Architect|(United Kingdom), National Water Company|Operator|(Saudi Arabia), Vinci|Construction|(France), Al Muhaidib Group|Construction|(Saudi Arabia)	2013	2015	Under construction	August 2015 - Construction underway for Phase 2 and Phase 3; March 2015 - Construction completed for Phase 1; Project is developed in phases; Total Project Value - SAR2.2bn
Iran	Styrene Petrochemical Park, Pars Special Economic Zone, Assaluyeh, Bushehr	Construction	Industrial Construction	Public				600	'000 tonnes	National Petrochemical Company (NPC)|Operator|(Iran)			Under construction	July 2013 - Construction underway
Iraq	Kurdistan Transmission and Distribution Substations Project	Energy & Utilities	Power Plants & transmission grids				30	600	MW	ABB Group|Construction|(Switzerland), Zagros Energy|Sponsor|(Iraq)		2014	Contract Awarded	July 2013 - ABB awarded USD30mn contract from Zagros Energy to build four transmission and distribution substationsin Kurdistan; Completion expected by 2014
Saudi Arabia	Al Qassim Power Plant Fuel Supply Pipeline Project, Qaseem	Energy & Utilities	Oil & Gas Pipelines	Public			160	240	km	Saudi Electricity Company|Operator|(Saudi Arabia)		2013	Completed	July 2013 - Project completed; The pipeline starts at the East-West Aramco pipeline near Al-Dawedmi and runs 240 km to Al-Qassim, running through valleys, sand dunes, and rough terrain
Kuwait	Funaitees Water Project, Mubarak Al-Kabeer	Energy & Utilities	Water	Public	Engineer Procure Construct (EPC)					Kuwait Ministry of Electricity and Water (MEW)|Operator|(Kuwait), Bayan National Construction Contracting Company|Construction|(Kuwait)		2014	Under construction	July 2013 - 75% of the tanks construction has been completed; Project involves building five water tanks in west of Funaitees, Kuwait City; Project is part of wider USD165mn/KWD47mn project
Oman	Liwa Plastics Industries Complex (LPIC), Sohar	Construction	Industrial Construction	Public	Engineer Procure Construct (EPC)		6500	1000	'000 tonnes	Maire Tecnimont SpA[Construction]|(Italy), CTCI Corp[Construction]|(Taiwan), Mitsui[Construction]|(Japan), GS Engineering & Construction Corporation|Construction|(South Korea), Punj Lloyd Ltd|Construction|(India), Lyondellbasell|Equipment|(United States), Engineers India|Consultant/Project Management|(India), Basell Poliolefine|Equipment|(Italy), Chicago Bridge & Iron UK|Equipment|(Netherlands), Axens|Equipment|(France), Randall|Equipment|(United States),	2016	2020	Project finance closure	October 2016 - Construction to start soon and project is delayed to 2020; March 2016 - Funds worth USD3.8bn secured for project; December 2015 - EPC contract to JV of CB&I and CTCI Corporation for steam cracker and associated utilities, Tecnimont for polymers facility, GS Engineering & Construction and Mitsui JV for extraction unit and Punj Lloyd for pipeline
Saudi Arabia	Riyadh Metro Project - Line I (Blue), Olaya Street - Al Hayer Road	Transport	Rail	Public				44	km	Siemens AG[Equipment]|(Germany), Almabani General Contractors Company|Construction|(Saudi Arabia), Consolidated Contractors Company (CCC)|Construction|(Greece), Bechtel Corporation|Construction|(United States), Arriyadh Development Authority|Operator|(Saudi Arabia), Eversendai Engineering|Construction|(Malaysia)			Under construction	May 2015 - Tunnel boring work commenced; Tunneling work to complete by 2016; Total Cost - USD23bn, Total Length - 180km
Saudi Arabia	Shuqaiq Steam Power Plant, Jazan	Energy & Utilities	Power Plants & transmission grids	Public	Engineer Procure Construct (EPC)		3300	2640	MW	Groupe Credit Agricole|Financier|(France), Banco Santander SA|Financier|(Spain), The Bank of Tokyo-Mitsubishi UFJ|Financier|(Japan), Export-Import Bank of Korea (Eximbank)|Financier|(South Korea), Deutsche Bank|Financier|(Germany), Saudi Electricity Company|Sponsor|(Saudi Arabia), Hyundai Heavy Industries|Construction|(South Korea), Alstom SA|Equipment|(France), General	2013	2017	Under construction	October 2016 - Saudi Electricity has inked a SAR 1.5 bn (USD420 mn) syndicated loan agreement with Credit Agricole and Banco Santander to fund part of the capital costs of construction; May 2016 - Saudi Electricity Company signed USD900mn loan agreement to help finance plant's construction; May 2014 - General Electric to provide variable speed drivers under a power deal with Hyundai Heavy Industries
Saudi Arabia	Riyadh Metro Project - Line III (Red), Madina Al-Munawara Road - Amir Saad bin Abdul Rahman Al Awal Road	Transport	Rail	Public				41.6	km	Ansaldo STS[Equipment]|(Italy), Bombardier Transportation|Equipment|(Canada), Arriyadh Development Company|Sponsor|(Saudi Arabia), Salini Impregilo Group|Construction|(Italy), Nesma|Construction|(Saudi Arabia), Larsen & Toubro (L&T)|Construction|(India)		2018	Under construction	March 2016 - Construction underway, completion in late-2018; May 2015 - Tunnel boring work commenced; Total Cost - USD23bn, Total Length - 180km
Saudi Arabia	Riyadh Metro Project - Line IV (Orange), King Khaled International Airport - King Abdullah Financial District	Transport	Rail	Public				41.2	km	Arriyadh Development Company|Operator|(Saudi Arabia), Bombardier Transportation|Feasibility|(Canada), Alstom SA|Equipment|(France), Strukton|Equipment|(Netherlands), Setec|Construction|(France), Freyssinet|Construction|(United Kingdom), Samsung Construction & Trading (Samsung C&T)|Construction|(South Korea), Fomento de Basra University|Operator|(Iraq), Iraqi Ministry of Health|Sponsor|(Iraq), Dorce Prefabricated Building & Construction Inc|Construction|(Netherlands), GEK Terna S.A|Construction|(Greece)		2019	Under construction	May 2016 - Construction underway; Construction will take three years; Project cost - IQD144bn
United Arab Emirates	Nakheel Mall, Palm Jumeirah Island, Dubai	Construction	Commercial Construction	Public			330	418064	square metres	Actco General Contracting Company|Construction|(United Arab Emirates), United Engineering Construction|Construction|(United Arab Emirates), Nakheel|Operator|(United Arab Emirates)		2016	Under construction	May 2016 - Almost 50% construction has been completed; May 2014 - Nakheel awarded construction contract worth AED1.2bn to United Engineering Construction (UNEC) and Actco General Contracting Company; Project cost - AED1.2bn; Project area - 4.5mn sq
Jordan	Red Sea - Dead Sea Water Project - Phase I, Aqaba Desalination Plant	Energy & Utilities	Water	Public	Public Private Partnership (PPP)	Build Operate Transfer (BOT)		80	mn m3 per year	Aqaba Water Company (AWC)|Operator|(Jordan), Government of Israel|Sponsor|(Israel), Jordanian Government|Sponsor|(Jordan), World Bank|Financier|(United States)		2018	2019 In tender/Tender launched	September 2016 - Work is scheduled to start in 2018; June 2016 - Project tender attracted 17 bids; May 2016 - Investors pledged USD450mn for project; December 2015 - Tender launched; June 2015 - Project approved; Project is part of Phase I of Red Sea - Dead Sea Water Project which will be carried out in 5 phases; Phase I includes desalination plant and 180 km pipeline that will connect Red Sea with Dead Sea; Phase I Value - USD900mn; Total Project Value - USD10bn
United Arab Emirates	Al Ain International Airport Expansion Project, Abu Dhabi	Transport	Airports	Public						Engineering Consultants Group|Consultant/Project Management|(Egypt), Abu Dhabi Airports Company|Operator|(United Arab Emirates)		2017	At planning stage	March 2015 - Planning underway; July 2014 - ECG has been awarded the construction supervision contract; August 2013 - Tender floated for consultancy firms to provide designs; Project is to double the size of the departure lounge and check-in areas in order to meet traffic growth, adding a new cargo terminal, an in-flight catering facility, more office space and other improvements to
Saudi Arabia	Dammam-3 Industrial City, Phase I (Part - II), Eastern Province	Construction	Industrial Construction	Public						Saudi Industrial Property Authority (Modon)|Operator|(Saudi Arabia)			Contract Awarded	August 2013 - SAR550mn (USD146mn) contract awarded for the development of the second part of the city's first phase; Project includes construction of drinking water pipelines, industrial water networks, sewage networks, rainwater drainage networks and
Saudi Arabia	Jazan University Expansion Project	Social Infrastructure	Education	Public			799			Jazan University|Operator|(Saudi Arabia)			Under construction	August 2013 - Expansion project is underway; Project includes establishment of four medical colleges, college for business administration, number of support projects and an electrical conversion station; Project cost - SAR3bn
Saudi Arabia	Sadara Desalination Plant (Jubail Industrial City II), Eastern Province	Energy & Utilities	Water	Public			392	64.97	mn m3 per year	Saudi Aramco|Sponsor|(Saudi Arabia), Veolia Group|Construction|(France), Dow Chemical|Sponsor|(United States), Sadara Chemical Company|Operator|(Saudi Arabia)	2013		Under construction	July 2013 - Construction commenced, Veolia Water awarded USD310mn design, build and operate the plant; Saudi Arabian desalination plant is being built in three phases. Phase 1 will be built in 18 months and will have a production capacity of 2,000m³ per hour .Phases 2 and 3, with a production capacity of 4,000m³ per hour each, will be built in a time span of 22 months each
Qatar	Al Ruwais Port Expansion Project, Al Shamal	Transport	Ports	Public			247.7			GS Engineering & Construction Corporation|Construction|(South Korea), Foster Wheeler|Feasibility|(Switzerland), Public Works Authority (Ashghal)|Operator|(Qatar), Consolidated Construction Consortium Ltd|Construction|(India)	2010		Under construction	November 2016 - Construction underway on Phase-II; January 2015 - Phase-II launched; December 2014 - Phase-I completed; Project to be carried out in 3 phases; Total Project Value - QAR1bn
Saudi Arabia	Makkah Strategic Water Storage Project, Phase 1	Energy & Utilities	Water	Public			45	0.56	mn m3 per year	National Water Company Saudi Arabia|Sponsor|(Saudi Arabia)		2016	Under construction	September 2015 - Construction underway; Project is part of Makkah Strategic Water Storage Project; Phase 1 Value - SAR170mn; Total Project Value - SAR1.5bn (USD400mn)
Iraq	Madinat Al Mustaqbal/City of the Future Residential Project, Baghdad	Construction	Residential Construction	Public			4500	30000	units	Bloom Properties|Construction|(United Arab Emirates), Government of Iraq|Sponsor|(Iraq), Al Handal International Group|Operator|(United Arab Emirates)			At planning stage	November 2015 - Project is on hold; September 2013 - Project will be completed by 2020 and to be built in phases; Project will include 30,000 residential units, 5 shopping centres, 18 schools and 12 kindergartens, many commercial buildings, a hospital, police station, a mosque and also a health centre; Project cost IQD 16.6bn
West Bank and Gaza	New Wastewater Treatment Plant, Nablus	Energy & Utilities	Water	Public			54.8			Lahmeyer International|Consultant/Project Management|(Germany), Palestinian Water Authority (PWA)|Sponsor|(West Bank and Gaza), KfW|Financier|(Germany), German Government|Financier|(Germany), European Union|Financier|(Belgium)	2010	2013	Completed	September 2013 - Project completed; EUR20mn funding from EU, a EUR21.8mn contribution by the German government and EUR3.4mn contribution from Municipality of Nablus; Project cost - EUR40mn
Oman	Kempinski, The Wave Resort, Muscat	Construction	Commercial Construction	Public				42250	square metres	Faithful+Gould|Consultant/Project Management|(United Kingdom), Kempinski|Operator|(Switzerland), Carillion Alawi LLC|Construction|(Oman), Oman Hospitality	2013	2017	Under construction	March 2016 - Construction underway; January 2015 - The hotel will comprise 309 rooms with 77 branded residences, seven restaurants, a ballroom for accommodating more than 750 people
United Arab Emirates	Al Habtoor City, Dubai	Construction	Commercial Construction	Private			3000	92903	square metres	John R. Harris & Partners|Design/Architect|(United Arab Emirates), Atkins|Design/Architect|(United Kingdom), Khatib & Alami|Design/Architect|(Lebanon), Drake & Scull International|Construction|(United Arab Emirates), Al Habtoor Leighton Group (HLG)|Operator|(United	2012	2017	Under construction	October 2016 - Construction underway; Al Habtoor City includes three five-star hotels and three luxury residential towers along Dubai water canal; September 2016 - Residential towers at Al Habtoor City scheduled for completion in Q2 of 2017; Project cost - AED11bn
Iran	Imam Khomeini Airport - Parand City Subway Line	Transport	Rail	Public				52	km	Islamic Republic of Iran Railways (RAI)|Sponsor|(Iran), Government of China|Sponsor|(China), Tehran Urban & Suburban Railway Operation Company|Sponsor|(Iran)			At planning stage	January 2015 - Planning underway; October 2013 - Financing to be provided by Chinese Government
United Arab Emirates	Carbon Capture, Usage and Storage (CCUS) Project, Abu Dhabi	Construction	Industrial Construction	Public	Engineer Procure Construct (EPC)		122	800	'000 tonnes	Abu Dhabi Future Energy (MASDAR)|Operator|(49)|(United Arab Emirates), Abu Dhabi National Oil Company (ADNOC)|Operator|(51)|(United Arab Emirates), Dodsal Engineering & Construction|Construction|(United Arab Emirates)		2016	Completed	July 2016 - Project Completed; Project Value - AED450mn
United Arab Emirates	Arabtec Tower (P-17 Tower) - Mixed-use Development, Dubai	Construction	Commercial Construction	Private			193	140000	square metres	Tasameem Project Management Co. L.L.C|Sponsor|(United Arab Emirates), Atkins|Design/Architect|(United Kingdom), Arabtec Construction|Construction|(United Arab Emirates)		2017	Contract Awarded	November 2013 - Construction contract worth USD490mn (AED1.8bn) awarded to Arabtec Construction; Project will take 42 months to complete; Project includes 17 office floors, five star hotel, 74 serviced apartments, 176 residential apartments
Oman	Sinaw - Mahut - Al Duqm Road Upgrade Project, Al Mudhaibi, North A'Sharqiyah	Transport	Roads & Bridges	Public			108	351	km	Oman Ministry of Transport and Communication|Sponsor|(Oman), Khalid Bin Ahmed & Sons LLC|Construction|(Oman)	2013		Under construction	September 2015 - USD19.4mn contract to upgrade the efficiency of the project; March 2015 - Package for 3 and 4 section has been awarded; July 2013 - Construction began on the first part of the project of 81 km; Project is divided into 4 phases
United Arab Emirates	Ras Al-Khaimah Solar-Powered Seawater Desalination Plant, Ras Al-Khaimah	Energy & Utilities	Water	Public			196	33.16	mn m3 per year	Commercial Bank of Dubai|Financier|(United Arab Emirates), National Bank of Abu Dhabi (NBAD)|Financier|(United Arab Emirates), Emirates NBD|Financier|(United Arab Emirates), Federal Electricity & Water Authority (FEWA)|Operator|(United Arab Emirates), Grupo COBRA|Construction|(Spain), Utico Middle East|Construction|(United Arab Emirates)		2018	Under construction	April 2016 - Construction underway; December 2015 - Utico to invest AED719mn(USD196mn) in the project; Plant scheduled to supply water to Fewa by June 2017 and to be fully operational in 2018; January 2014 - Utico Invites Pre-Qualification Bids; Project cost - AED719mn
Saudi Arabia	Rabigh 2 Combined Cycle Power Project, Makkah	Energy & Utilities	Power Plants & transmission grids	Public	Public Private Partnership (PPP)	Build Own Operate (BOO)	1600	2800	MW	Siemens AG[Equipment]|(Germany), ACWA Power International|Sponsor|(Saudi Arabia), Mena Infrastructure Fund|Sponsor|(United Arab Emirates), Yokogawa Electric Korea|Equipment|(South Korea), BHI Company Ltd|Equipment|(South Korea), Al-Mourjan Electricity Production Company|Sponsor|(Saudi Arabia), Saudi Electricity Company|Operator|(Saudi Arabia), Samsung	2014	2017	Under construction	October 2016 - Construction underway; October 2014 - Yokogawa Electric has won an order from Samsung C&T to deliver control systems for the plant; June 2014 - BHI awarded equipment contract; March 2014 - Construction commenced; 20 year PPA with SEC
Iran	Chabahar-Zahedan-Mashhad Railway	Transport	Rail	Public				1350	km	Iran Roads and Transportation Ministry|Operator|(Iran)	2010		Under construction	May 2016 - India has allocated USD500mn for the project; January 2015 - Construction underway; December 2014 - Government wants speedy construction of the highway; Project started with EUR3bn credit
Kuwait	Transmission lines, Al-Rawdatain, Al Asimah	Energy & Utilities	Power Plants & transmission grids	Public	Engineer Procure Construct (EPC)		99.7	300	kV	Kuwait Ministry of Electricity and Water (MEW)|Operator|(Kuwait), Isolux Corsan|Construction|(Spain)	2014	2016	Under construction	December 2014 - Construction underway; December 2013 - Isolux Corsan has won EPC contract from the Ministry of Electricity and Water of Kuwait; The project is divided into three parts; In the first, the company will execute the work for the energisation of the RDTN X substation, building 76km of transmission lines; In the second, the company will build 82km of transmission lines to energise the RDTN W substation; the company will build another 14km of transmission lines to interconnect the RDTN X and RDTN W

United Arab Emirates	Jebel Ali Gardens, Dubai	Construction	Residential Construction	Public				2042	9986	units	Nakheel	Operator	United Arab Emirates)			2020	At planning stage	September 2016 - Nakheel has appointed 6 Dubai based companies to undertake design and project management, construction tender expected to launch in Q1 2017; September 2015 - Nakheel unveiled the project; Project will includes 9986 units ranging from one to three bedrooms, sports area and mosques; Project Value - AED7.5bn
Jordan	Na'our Wastewater Treatment Plant, Wadi Essir and Na'our regions, Amman	Energy & Utilities	Water	Public					6.2	mn m3 per year	Export-Import Bank of Korea (Eximbank)	Financier	South Korea)				In tender/Tender launched	September 2015 - Ministry of Water & Irrigation and Water Authority of Jordan invited companies to bid on project; Capacity - 17,000 m3/day
Saudi Arabia	Ma'aden Alumina Refinery Project, Ras Al Khair, Eastern	Construction	Industrial Construction	Private					1800	'000 tonnes	Alcoa|Operator|United States), Hyundai Engineering and Construction Co Ltd.|Construction|South Korea)			2014	Completed	December 2014 - First alumina produced; May 2012 - Hyundai Engineering & Construction Co Ltd won SR5.6bn contract to construct the project; Project forms part of integrated aluminium complex
Oman	Musandam Gas Plant, Tibat	Construction	Industrial Construction	Public				600			Oman Oil Company|Operator|Oman), Hyundai Engineering and Construction Co Ltd.|Construction|South Korea)	2011		2015	Under construction	May 2015 - The plant nears completion; April 2015 - Commissioning activities are slated to commence by the end of July this year with the start of commercial production planned around October-November; December 2011 - Construction commenced
Saudi Arabia	Saudi Aramco - Riyadh Refinery Clean Transportation Fuels Project	Construction	Industrial Construction	Public	Engineer Procure Construct (EPC)			1000	126000	b/d	Saudi Aramco|Operator|Saudi Arabia), Samsung Engineering & Construction|Construction|South Korea), Foster Wheeler|Consultant/Project Management|Switzerland), SOFCON Engineering Company Saudi Arabia|Consultant/Project Management|Saudi Arabia)			2016	Under construction	February 2015 - Construction underway; February 2013 - Samsung Engineering won EPC contract for the project
United Arab Emirates	Ruwais Refinery Expansion, CBDC Unit, Abu Dhabi	Construction	Industrial Construction	Public	Engineer Procure Construct (EPC)			2470	40	'000 tonnes	TAKREER|Operator|United Arab Emirates), Samsung Engineering & Construction|Construction|South Korea)			2015	Completed	June 2012 - Samsung Engineering won the contract; The plant to have capacity to produce 40,000 tonnes of carbon black per year and 30,000 barrels of crude oil per day
Qatar	Diesel Hydrotreater (DHT) Unit, Ras Laffan Refinery, Doha	Construction	Industrial Construction	Private	Engineer Procure Construct (EPC)			96	54000	b/d	Qatargas|Operator|Qatar), Samsung Engineering & Construction|Construction|South Korea)	2012		2014	Completed	May 2014 - Facility opened; Construction commenced in July 2012; January 2012 - Samsung Engineering won EPC contract; The unit will treat 54,000 barrels per stream day (BPSD) of diesel, from high-sulfur into ultra low-sulfur diesel fuel, at the Laffan Refinery
Iraq	Badra Gas Separation Plant Project, Wasit	Construction	Industrial Construction	Public	Engineer Procure Construct (EPC)			879	170000	b/d	Gazprom|Sponsor|Russia), Petronas|Sponsor|Malaysia), Kora Gas (Kogas)|Sponsor|South Korea), Turkish Petroleum Refineries Corporation (Tüpras)|Sponsor|Turkey), Samsung Engineering & Construction|Construction|South Korea)			2016	Under construction	January 2016 - Construction underway; February 2013 - Samsung Engineering awarded USD879mn contract to build central processing facility, including the GSP (200 million Standard Cubic feet per day capacity) and the Utilities and Offsites (U&O) facility within 35 months
Saudi Arabia	Saudi Aramco Carbon Dioxide Capture & Injection Project, Uthmaniyah, Eastern	Construction	Industrial Construction	Public	Engineer Procure Construct (EPC)				413.42	mn m3 per year	Saudi Aramco|Sponsor|Saudi Arabia), Samsung Engineering & Construction|Construction|South Korea)				Under construction	July 2015 - In the pilot project, 40 million standard cubic feet per day of CO2 will be captured at Hawiyah gas recovery plant and then piped 85 kilometers to the 'Uthmaniyah
United Arab Emirates	GASCO Nitrogen Gas Injection Project, Habshan, Abu Dhabi	Construction	Industrial Construction	Public	Engineer Procure Construct (EPC)				6205	mn m3 per year	Gasco Energy|Operator|United Arab Emirates), Samsung Engineering & Construction|Construction|South Korea)			2014	Contract Awarded	February 2012 - Samsung Engineering signed an EPC contract with GASCO worth USD165mn, expected to be completed by 2014; The plant will be designed to inject 600mn standard cubic feet per day of nitrogen gas into wells
Iraq	Khabat Thermal Power Plant, Erbil	Energy & Utilities	Power Plants & transmission grids	Public	Engineer Procure Construct (EPC)				300	MW	POSCO Engineering and Construction|Construction|South Korea), Gama Holding|Construction|Turkey)				Suspended	January 2016 - Construction has suspended after dispute among contractors; Plant will have 2 x 150 MW units with 2 Fuel Oil/Diesel Fuel Oil Boiler and 2 Steam Turbine & Generator sets
Iraq	Bazyan 400-KV Transformer Project, Sulaimaniyah	Energy & Utilities	Power Plants & transmission grids	Public					400	kV	Korea National Oil Corporation (KNOC)|Operator|South Korea), POSCO Engineering and Construction|Construction|South Korea)				Contract Awarded	August 2012 - The Kurdistan Regional Government signed a deal with the POSCO
Saudi Arabia	Saudi Aramco Combined Heat and Power Plant Project, Al Jubail	Energy & Utilities	Power Plants & transmission grids	Public	Engineer Procure Construct (EPC)			650	886	MW	Saudi Aramco|Sponsor|50|Saudi Arabia), Marubeni|Sponsor|25|Japan), JGC Corporation|Sponsor|15|Japan), Aljomaih Holding Group|Sponsor|10|Saudi Arabia), Samsung Engineering & Construction|Construction|South Korea)			2016	Under construction	February 2011 - Samsung Engineering awarded USD600mn contract from Saudi Aramco; Plant to produce 886 MW of power and 1,478 Ton/h steam
Saudi Arabia	Ma'aden Steam Generation Project, Ras Al Khair, Eastern	Construction	Industrial Construction	Private	Engineer Procure Construct (EPC)						Alcoa|Construction|United States), Ma'aden Bauxite and Alumina Co.|Sponsor|Saudi Arabia), Samsung Engineering & Construction|Construction|South Korea)				At planning stage	December 2015 - Plant to produce 211 Ton/h steam
United Arab Emirates	Al Marjan Island Luxury Mixed Use Development, Ras Al Khaimah	Construction	Commercial Construction	Private				136	25649	square metres	Diamonds International Corporation	Operator	Czech Republic)	2016		2019	At planning stage	September 2015 - Project is in design and planning stage; Project comprises a five-star hotel, 340 apartments, 40 water villas, a community centre and parking; Project cost - AED500mn; Project area - 276079 sq feet
Saudi Arabia	South Dhahran Home Ownership Project - Phase I, Dhahran, Eastern	Construction	Residential Construction	Public					2776	units	Sinohydro Corporation|Construction|China), Saudi Aramco|Operator|Saudi Arabia), Azmeel Contracting & Construction Corporation|Construction|Saudi Arabia)			2018	Contract Awarded	January 2016 - 2nd contract signed for 791 units with Azmeel and Sinohydro; Project is part of Saudi Aramco's south Dhahran home ownership project
Kuwait	Shagaya Renewable-Energy Park (Phase-I) - Solar Complex	Energy & Utilities	Power Plants & transmission grids					383.7	60	MW	TSK Group Ltd	Construction	United Kingdom)		2015	2018	Under construction	June 2016 - project is scheduled for completion in April 2018; December 2015 - Construction commenced; Project includes, 50 MW thermal solar plant and a 10 MW photovoltaic plant; September 2015 - Construction contract awarded
United Arab Emirates	Union Oasis Project, Dubai	Construction	Commercial Construction	Public	Public Private Partnership (PPP)			191	15000	square metres	Dubai Roads and Transport Authority (RTA)	Sponsor	United Arab Emirates)				In tender/Tender launched	November 2016 - Dubai Roads and Transport Authority is evaluating bids from developers for the project; February 2016 - RTA extended deadline for submitting bids until 28 February; October 2015 - Tender launched; Project comprises the development of a two mixed-use towers above Union Square metro station; Project cost - AED 700mn
United Arab Emirates	Oia Residences Project, Dubai Motor City, Dubai	Construction	Residential Construction	Private				123	271	units	Union Properties PJSC-UP|Operator|United Arab Emirates), Ajman Bank|Financier|United Arab Emirates), RAKBANK|Financier|United Arab Emirates), China State Construction Engineering Corporation (Middle East) LLC|Construction|United Arab Emirates), AK Design (Amce			2017	Project finance closure	June 2016 - Union Properties signed AED290mn (USD79mn) project finance facility; January 2016 - Union Properties awarded USD64mn contract to CSCEC
Saudi Arabia	Salman Canal Project	Energy & Utilities	Water	Public					630	km	Government of Yemen|Sponsor|Yemen), Government of Saudi Arabia|Sponsor|Saudi Arabia)				At planning stage	April 2016 - Canal project is moving forward in the Saudi governmental system has now formally been assigned to the Ministry of Electricity; September 2015 - Studies are underway on construction of waterway that will reduce by half the distance ships are currently taking by passing through the Strait of Hormuz; Total Cost - USD80bn; Total length - 950 km
Yemen	Salman Canal Project	Energy & Utilities	Water	Public					320	km	Government of Saudi Arabia|Sponsor|Saudi Arabia), Government of Yemen|Sponsor|Yemen)				At planning stage	April 2016 - Canal project is moving forward in the Saudi governmental system has now formally been assigned to the Ministry of Electricity; September 2015 - Studies are underway on construction of waterway that will reduce by half the distance ships are currently taking by passing through the Strait of Hormuz; Total Cost - USD80bn; Total length - 950 km
Saudi Arabia	Mashaer Railway Project, Makkah	Transport	Rail	Public				1770	18.5	km	Saudi Arabia Ministry of Municipal and Rural Affairs|Sponsor|Saudi Arabia), China Railway Construction Corporation (CRCC)|Construction|China)	2009		2015	Completed	September 2015 - Project completed and handed over; Project was developed in six years; 18.5 km line has nine railway stations and a parking area
United Arab Emirates	Gasco High-pressure Integrated Gas Development Expansion pipeline, Abu Dhabi	Energy & Utilities	Oil & Gas Pipelines	Private					114	km	Gasco Energy|Operator|United Arab Emirates), voestalpine Group|Construction|Austria)			2017	Contract Awarded	September 2015 - Voestalpine Group has secured a construction contract
Kuwait	North Oil Field Water Treatment Plant	Energy & Utilities	Water	Public							Kuwait Oil Company (KOC)|Operator|Kuwait), GS Engineering & Construction Corporation|Construction|South Korea)				Contract Awarded	September 2015 - Construction contract worth USD306mn awarded; The project will take three years to complete
Bahrain	Water Bay - Residential Complex, Bahrain Bay	Construction	Residential Construction	Public				2500	600	units	Bin Fageeh Real Estate Investment Company	Operator	Bahrain)				Announced	September 2015 - Plans announced to build the project; The complex will feature three 10-storey towers, 10-storey towers with around 600 apartments, a retail floor and a common basement car-park
Qatar	Al Khaliji Cement Production Facility Expansion, Umm Bab	Construction	Industrial Construction	Private							Al Khalij Cement Company	Operator	Qatar)			2015	Completed	December 2015 - Project completed; Second production line will double the clinker capacity to 12,000tpd and enhance cement production by more than 50% to 15,500 tpd
Iran	Sarooj Pars Complex, Kerman	Construction	Commercial Construction	Public				120			Kerman Municipality|Sponsor|Iran), WJ Towell|Operator|SOI|Oman), Sarooj Construction Company|Operator|SOI|Oman)	2015			Under construction	September 2015 - Ground breaking held recently; Project to be built in 3 phases; First phase to take two to three years, second phase includes a 3-star hotel and an office block
United Arab Emirates	Emirati Villas, Zayed City Mixed Use Development, Abu Dhabi	Construction	Residential Construction	Public					2723	units	Mouchel|Consultant/Project Management|United Kingdom), CH2M HILL Constructors|Consultant/Project Management|United States), AECOM|Consultant/Project Management|United States), Mott MacDonald|Consultant/Project Management|United Kingdom)				At planning stage	September 2015 - Work is expected to begin in Q416; The project is the first phase of USD40bn mixed-use Zayed City project
Iran	Iran(South Pars Gas Field) - Iraq(Basra) Gas Pipeline Project	Energy & Utilities	Oil & Gas Pipelines	Public					100	km	Government of Iraq|Sponsor|Iraq), Government of Iran|Sponsor|Iran)			2016	Completed	April 2016 - 100km of pipeline has been completed on the Iranian side; The gas transfer to Iraq will begin with 5mcm/d which will reach 35mcm/d on completion of a gas pipeline project; Total length - 270km
Iraq	Iran(South Pars Gas Field) - Iraq(Basra) Gas Pipeline Project	Energy & Utilities	Oil & Gas Pipelines	Public					170	km	Government of Iraq|Sponsor|Iraq), Government of Iran|Sponsor|Iran)				At planning stage	April 2016 - 100km of pipeline has been completed on the Iranian side; September 2015 - Development plan finalised; The gas transfer to Iraq will begin with 5mcm/d which will reach 35mcm/d on completion of a gas pipeline project; Total length - 270km
Bahrain	BDF Military Hospital - Clinic and Car Park Facility, Wadi Al Sail, West Riffa	Social Infrastructure	Healthcare	Public				55.67	6378	square metres	KMC Holding|Construction|Kuwait), Bahrain Defence Force (BDF)|Sponsor|Bahrain)			2017	Contract Awarded	September 2015 - Agreement has been signed between the Bahrain Defense Force (BDF) and KMC for project development; Project will be completed in 20 months; Project cost - BHD21mn
United Arab Emirates	Maliha (Sharjah)- Al Shuwaib (Abu Dhabi) Road Project	Transport	Roads & Bridges	Public				180	42	km	UAE Ministry of Public Works	Sponsor	United Arab Emirates)				Approved	September 2015 - Committee under UAE President approved the project
United Arab Emirates	Wadi Al Qoor - Lahbab(Dubai) Road Project	Transport	Roads & Bridges	Public					60	km	UAE Ministry of Public Works	Sponsor	United Arab Emirates)				Approved	September 2015 - Committee under UAE President approved the project
United Arab Emirates

Bahrain	LNG Terminal, Al-Hidd, Muharraq	Construction	Industrial Construction	Public	Public Private Partnership (PPP)	BOOT	655	8269	mn m3 per year	GS Engineering & Construction Corporation[Construction][South Korea], Gulf Investment Corporation[Sponsor][20][Kuwait], Samsung Construction & Trading (Samsung C&T)[Sponsor][20][South Korea], Teekay[Operator][30][Bermuda], Nogaholding Company[Sponsor][30][Bahrain]		2018	Contract Awarded	December 2015 - Nogaholding has awarded a contract on BOOT basis to Bahrain LNG consortium to own and operate the project under 20 year agreement; Project includes construction of floating storage unit (FSU), a jetty and breakwater to receive offshore LNG and will have capacity of 800 mmscfd
Jordan	R15 Desert Road Rehabilitation Project, Queen Alia International Airport - Maan Governorate	Transport	Roads & Bridges	Public			170	220	km	Jordanian Government[Sponsor][Jordan), Saudi Fund for Development[Financier][Saudi Arabia)			Project finance closure	February 2016 - Jordanian government to launch tender by March 2016; Work will be carried out over six stages over total duration of 18 months; November 2015 - Saudi Fund grants USD65mn for project
United Arab Emirates	Wasl Oasis II, Muhaisnah, Dubai	Construction	Residential Construction	Private				1244	units	Wasl Asset Management Group[Operator][United Arab Emirates)			Under construction	June 2016 - Wasl Oasis Mosque is completed; December 2015 - Wasl launches affordable housing community; Project is made up of 23 buildings with a total of 1244 residential units, initial launch of 280 units in the 7 buildings will consist of studios and two-bedroom apartments, with plans to release 964 units in the remaining 16 buildings in the first quarter of 2016
Qatar	Labour Accommodation Project	Construction	Residential Construction	Public			439	6600000	square metres	Government of Qatar[Sponsor][Qatar)		2017	Contract Awarded	December 2015 - Project involves building seven accommodation complexes for 179,000 workers; Contract awarded for Phase I; Phase I involves housing complex in Umm Salal Mohammad for 24,000 workers, Phase II at Barkat Al Awamer and Phase III at Umm Ghuwailina, Al Wakrah and Al Shamal; Project cost - QAR1.6bn (USD439mn)
Qatar	Labour Accommodation Project, Phase I (Umm Salal)	Construction	Residential Construction	Public	Public Private Partnership (PPP)	Build Operate				Redco International[Operator][Qatar), Gulf Systems for Contracting & Services[Operator][Qatar), Shaqab Abela Catering Services[Operator][Qatar), Government of Qatar[Sponsor][Qatar)			Contract Awarded	December 2015 - Contract awarded on BOT basis for 15 years; Project involves building housing complex for 24000 workers in Umm Salal region; Part of USD439mn (QAR1.6bn) labour accommodation project
Qatar	Labour Accommodation Project, Phase II (Birkat Al Awamer)	Construction	Residential Construction	Public						Government of Qatar[Sponsor][Qatar)			At planning stage	December 2015 - Project involves building housing complex in Barkat Al Awamer region; Part of USD439mn (QAR1.6bn) labour accommodation project
Qatar	Labour Accommodation Project, Phase III (Ad Dawhah, Al Wakrah, Madinat ash-Shamal)	Construction	Residential Construction	Public						Government of Qatar[Sponsor][Qatar)		2017	At planning stage	December 2015 - Project involves building housing complex in Umm Ghuwailina, Al Wakrah and Al Shamal regions; Part of USD439mn (QAR1.6bn) labour accommodation project
United Arab Emirates	Academic City Road Project, Phase II, Dubai	Transport	Roads & Bridges	Public			129	25	km	Dubai Roads and Transport Authority (RTA)[Sponsor][United Arab Emirates)		2017	Contract Awarded	December 2015 - Contract awarded for the project which extends from Dubai-Al Ain Interchange to Yalayis Road; Project cost - USD129.05mn (AED474mn)
Jordan	Hareon Solar Facility	Energy & Utilities	Power Plants & transmission grids	Public			75	61	MW	National Electric Power Company (NEPCO)[Operator][Jordan), European Bank for Reconstruction and Development (EBRD)[Financier][United Kingdom), International Finance Corporation (IFC)[Financier][United States)	2016	2017	At planning stage	December 2015 - 20-year PPA signed between Hareon Solar and NEPCO; Construction to begin in 2016
Oman	Waste Management Facility, Sohar, North Al Batinah	Construction	Industrial Construction	Public						Oman Environmental Services Holding Company (be'ah)[Operator][Oman)			At planning stage	December 2015 - SOHAR Port and Freezone signed deal with be'ah to establish the project
Lebanon	Notre Dame University-Louaize (NDU) Hospital,	Social Infrastructure	Healthcare	Private			90	1000	beds	University of Notre Dame[Sponsor][United States)	2016	2019	At planning stage	December 2015 - Plans to build 300 room hospital next to NDU campus in Louaize
United Arab Emirates	Ras Al Khaimah-Sharjah Water Transmission Project	Energy & Utilities	Water	Public			112			Utico Middle East[Sponsor][United Arab Emirates)	2015	2017	Under construction	December 2015 - Construction commenced; Utico to invest in the project; Project can carry 50mn gallons of water either way; Project cost - AED410mn (USD111.64mn)
Oman	Sohar Industrial Estate Expansion Project	Construction	Industrial Construction	Public			52	8500000	square metres	Hasan Juma Backer Trading & Contracting Company[Construction][Oman), Public Establishment for Industrial Estates (PEIE) - Oman[Sponsor][Oman)		2017	Under construction	July 2016 - Construction underway; Project includes warehouses, food processing plants, roads, drainage facilities, water, irrigation and power networks; Project cost - OMR20mn (USD51.8mn)
Bahrain	Wastewater Treatment Plant, Northern Town	Energy & Utilities	Water	Public				31.03	mn m3 per year	Government of Bahrain[Sponsor][Bahrain)			At planning stage	December 2015 - Project given go ahead; Recycled water will be used for urban irrigation and to maintain a green environment
United Arab Emirates	Sweihan Solar Project, Abu Dhabi	Energy & Utilities	Power Plants & transmission grids	Public	Engineer Procure Construct (EPC)		872	1177	MW	Jinko Solar[Sponsor][20][China), Marubeni[Sponsor][20][Japan), Abu Dhabi Water & Electricity Authority (ADWEA)[Sponsor][60][United Arab Emirates), Sterling & Wilson Ltd[Construction][India), Akin Gump Strauss Hauer & Feld[Consultant/Project Management][United States), Alderbrook Finance[Consultant/Project Management][United Kingdom), Fichtner GMBH &	2017	2019	Under construction	June 2017 - Sterling and Wilson have won EPC and maintenance contract; May 2017 - Project reaches financial close, construction commenced; March 2017 - Marubeni Corp. and Jinko Solar Holding have signed a 25-year PPA with ADWEC; September 2016 - Marubeni-Jinko consortium submitted lowest bid for the project; March 2016 - ADWEA selected advisors for project; Project is being jointly developed by Marubeni, JinkoSolar and Abu Dhabi Water and Electricity Authority
Saudi Arabia	Gold Ore Processing Plant, Riyadh	Construction	Industrial Construction	Public				2000	'000 tonnes	Maaden[Operator][Saudi Arabia), Hanwha Engineering and Construction Corp[Construction][South			Contract Awarded	March 2013 - USD 270mn contract awarded to Hanwha
Iraq	Hanwha Petrochemical Plant	Construction	Industrial Construction	Public				1000	'000 tonnes	Government of Iraq[Sponsor][Iraq), Hanwha Chemical[Construction][South Korea)		2021	At planning stage	December 2013 - LOI issued to Hanwha to develop the project
Iran	India - Iran Subsea Gas Pipeline Project	Energy & Utilities	Oil & Gas Pipelines	Public						Government of India[Sponsor][India), Government of Iran[Sponsor][Iran)			At planning stage	August 2016 - Studies show the project is feasible; March 2016 - Pipeline will link Iran's southeastern port of Chabahar to India's Gujarat State, bypassing the exclusive economic zone (EEZ) of Pakistan; December 2015 - Negotiations are underway for subsea gas pipeline as an alternative to Iran-India-Pakistan pipeline; Total length - 1400km; Capacity - 31.5mcm of gas/day; Project cost -
Saudi Arabia	Water R&D Centre, Damman, Eastern	Construction	Industrial Construction	Private						Doosan Heavy Industries & Construction Co.[Operator][South Korea)		2013	Completed	April 2013 - Project completed
United Arab Emirates	District Cooling Plant, Dubai Parks and Resorts, Dubai	Construction	Industrial Construction	Public	Engineer Procure Construct (EPC)		53.4	45.6	'000 tonnes	Tabreed[Operator][United Arab Emirates), Emirates NBD[Financier][United Arab Emirates), SNC-Lavalin[Construction][Canada)	2014		Under construction	December 2015 - AED193mn (USD53mn) loan secured for the project, construction nearing completion
Iran	Imam Khomeini Airport City Project (IKAC), Tehran	Transport	Airports	Public			2800			Iran's Ministry of Roads and Urban Developments[Sponsor][Iran), Government of Iran[Sponsor][Iran)			At planning stage	December 2015 - Iran likely to award 5 year consultancy contract to Netherlands Airport Consultants (Naco) for construction of
Saudi Arabia	Mahdia Converter Station, Riyadh	Energy & Utilities	Power Plants & transmission grids	Public						Saudi Electricity Company[Operator][Saudi Arabia)		2017	At planning stage	March 2015 - The substation will run at 132/13.8kV voltage ; Project will be carried out within 21 months
Saudi Arabia	Al Samer Substation Project, Jeddah, Makkah	Energy & Utilities	Power Plants & transmission grids	Public				380	kV	Saudi Electricity Company[Operator][Saudi Arabia)		2016	Contract Awarded	January 2014 - SEC sign the substation contract to meet the rising demand for electricity in western province
Saudi Arabia	Rafha Power Plant Upgrade Project, Northern	Energy & Utilities	Power Plants & transmission grids	Public						General Electric[Equipment][United States), Siemens AG[Equipment][Germany), Saudi Electricity Company[Operator][Saudi Arabia)			Contract Awarded	May 2013 - Project involves installation of new 2x55/70MW Gas Turbine Generators and reinstallation in the new plant area of 2x33MW Gas Turbine Generators
Saudi Arabia	Qurayyat Power Plant Upgrade Project	Energy & Utilities	Power Plants & transmission grids	Public						General Electric[Equipment][United States), Siemens AG[Equipment][Germany), Saudi Electricity Company[Operator][Saudi Arabia)			Contract Awarded	May 2013 - Project involves installation of 2xSGT6-2000E gas turbines
Saudi Arabia	Qassim II & III Power Plant Expansion Project, Qaseem	Energy & Utilities	Power Plants & transmission grids	Public	Engineer Procure Construct (EPC)			360	MW	Black & Veatch[Construction][United States), Saudi Electricity Company[Operator][Saudi Arabia)			Contract Awarded	October 2015 - MACOGA is successfully supplying a large number of Expansion Joints for the Qassim II & III Simple Cycle to Combined Cycle Power Plant in Saudi Arabia; May 2015 - Expansion will convert 12 oil-fired simple cycle combustion turbines to combined cycle
Saudi Arabia	Muhayil West Substation, Aseer	Energy & Utilities	Power Plants & transmission grids	Public			117			Al-Toukhi Company for Industry[Construction][Saudi Arabia), Saudi Electricity		2012	Under construction	October 2013 - Construction underway; Project involve construction of new 380/132/13.8 KV substation; Project cost -
Saudi Arabia	Shoaiba II Combined Cycle Power Plant, Jeddah	Energy & Utilities	Power Plants & transmission grids	Public			1230	1200	MW	Saudi Electricity Company[Operator][Saudi Arabia), Poyry Energy[Consultant/Project Management][Finland), Daelim Industrial Company[Equipment][South Korea), Yokogawa		2012	2015 Completed	January 2015 - Project completed; Project comprises of 10 gas turbines & 2 steam turbines
Saudi Arabia	Darma (Riyadh) - Bahra(Makkah) High Voltage Direct Current (HVDC) Line	Energy & Utilities	Power Plants & transmission grids	Public	Engineer Procure Construct (EPC)		1000			CESI Group[Construction][Italy), Tractebel Engineering[Construction][Belgium), Saudi Electricity Company[Operator][Saudi Arabia)		2015	At planning stage	November 2012 - CESI has signed an agreement with SEC for assistance in the implementation of HVDC line of 800 km
Saudi Arabia	Yanbu(Madinah) - Umluj(Tabouk) Overhead	Energy & Utilities	Power Plants & transmission grids	Public	Engineer Procure Construct (EPC)		84.3	380	kV	Saudi Electricity Company[Operator][Saudi Arabia)		2015	At planning stage	October 2013 - Planning underway; SEC responsible for construction, installation, testing, commissioning the transmission line
Saudi Arabia	Fadhili Gas Plant Project, Eastern	Construction	Industrial Construction	Public			13300			Engie[Construction][France), Petrofac[Construction][United Kingdom), Tecnicas Reunidas[Construction][Spain), Saudi Aramco[Operator][40][Saudi Arabia), Saudi Electricity Company[Operator][60][Saudi Arabia)		2019	Contract Awarded	January 2017 - ENGIE has been awarded the contract and achieved financial closing for the greenfield Fadhili independent power project (IPP); October 2016 - Engie won power plant deal worth USD1.2bn; Power plant is part of Fadhili gas plant; July 2016 - Saudi Aramco awarded four engineering contracts for SAR50bn project; November 2015 - Petrofac has Sulfur recovery unit worth USD1.7bn while Tecnicas won the other 2 packages for the gas processing unit USD2bn and utilities and offsites USD1bn; The project will increase the capacity from 1bn cu ft/day to 2.5 bn cu ft/day of sour gas (high in sulphur)
Saudi Arabia	Dhuba 2 IPP Project, Tabouk	Energy & Utilities	Power Plants & transmission grids	Public				1800	MW	Saudi Electricity Company[Operator][Saudi Arabia)		2018	At planning stage	August 2014 - Duba 2 which was also proposed as an IPP is currently unclear whether the second phase will remain an IPP, or will also be switched to an EPC deal
Saudi Arabia	Ashbaliyah Substation, Riyadh	Energy & Utilities	Power Plants & transmission grids	Public						Al-Toukhi[Construction][Saudi Arabia), Saudi Electricity Company[Operator][Saudi Arabia)			Contract Awarded	August 2013 - Contract awarded
Saudi Arabia	Al Nasim Transmission Substation Expansion, Makkah	Energy & Utilities	Power Plants & transmission grids	Public						Al-Toukhi[Construction][Saudi Arabia), Saudi Electricity Company[Operator][Saudi Arabia)			Contract Awarded	August 2013 - Contract awarded
Saudi Arabia	Ha'il 2 Extension 3 Power Plant	Energy & Utilities	Power Plants & transmission grids	Public				448	MW	Dar Engineering Company[Construction][Saudi Arabia), Alfanar Construction[Construction][Saudi Arabia), Siemens AG[Equipment][Germany)		2012	Completed	July 2012 - Project completed 6 months ahead of schedule
Oman	Pet Coke Project, Sohar	Construction	Industrial Construction	Public	Engineer Procure Construct (EPC)					Larsen & Toubro (L&T)[Construction][India), Oman Oil Refineries and Petroleum Industries Company[Operator][Oman)			Contract Awarded	December 2015 - USD63.58mn(OMR24.4mn) EPC contract awarded to L&T
United Arab Emirates	Yas Island Community Centre, Abu Dhabi	Construction	Commercial Construction	Public	Public Private Partnership (PPP)	Build Operate		22135	square metres	Abu Dhabi Municipality[Sponsor][United Arab Emirates)			In tender/Tender launched	February 2014 - Tender launched for development of three community centers in Abu Dhabi
United Arab Emirates	Mohammad Bin Zayed City Community Centre, Abu Dhabi	Construction	Commercial Construction	Public	Public Private Partnership (PPP)	Build Operate		26012	square metres	Abu Dhabi Municipality[Sponsor][United Arab Emirates)			In tender/Tender launched	February 2014 - Tender launched for development of three community centers in Abu Dhabi
United Arab Emirates	Al Shamkha Community Centre, Abu Dhabi	Construction	Commercial Construction	Public	Public Private Partnership (PPP)	Build Operate		23315	square metres	Abu Dhabi Municipality[Sponsor][United Arab Emirates)			In tender/Tender launched	February 2014 - Tender launched for development of three community centers in Abu Dhabi
Iran	Qom Monorail System - Stage 1	Transport	Rail	Public			120	6.2	km	Kayson Company[Construction][Iran), Mapna[Construction][Iran)	2009		Under construction	April 2015 - Construction underway; Project will includes 8 stations and one depot
Iran	Chabahar-Sarakhs Railway	Transport	Rail	Public			2500	1500	km	Khatam al-Anbiya (KAA)[Construction][Iran)			Contract Awarded	April 2015 - Project will highly contribute to the economy of the eastern Iran and cargo transit to neighboring states; Khatam al-Anbiya won construction contract
United Arab Emirates	Barakah Nuclear Power Plant, Abu Dhabi	Energy & Utilities	Power Plants & transmission grids	Public			24400	5600	MW	UAE Government[Sponsor][United Arab Emirates), Hilal Bil Badi & Partners Contracting Company[Equipment][United Arab Emirates), Emirates Nuclear Energy Corporation (ENEC)[Operator][United Arab Emirates), Korea Electric Power Corporation	2012	2020	Under construction	October 2016 - Construction work of units 1 to 4 is more than 71% completed
